TOTAL SATISFACTION SERVICES

Phaser® 6115MFP

Colour Laser Multifunction Printer

The Phaser 6115MFP multifunction printer is your all-in-one office solution. Easy to use and surprisingly affordable, it delivers the tools you need for fast-paced office productivity – printing, copying, faxing and scanning – in accurate, eye-catching colour.

The Display button provides easy access to current toner-level updates, plus intuitive, helpful tools and information pages for quick problem-solving.

One-touch buttons easily control faxing, scanning and copying functions.

Fax function buttons include one-touch dialing, Speed Dial and Resolution settings.

Frequently used copier functions, such as Reduce/Enlarge and Light/Dark, are controlled easily.

Convenient, one-touch Start buttons let you choose brilliant colour or cost-effective black and white copying.

Multifunction features – in colour

Get true-to-life colours that accurately reflect your desired results whether printing, copying, faxing or scanning.

- Colours jump off the page with a print resolution of up to 2400 dpi, adding visual impact to important office print jobs.
- PANTONE® Colour approved solid-colour simulations leave no doubt that the colours you want are the colours you get.
- A black and white print speed of 20 ppm gives any fast-paced office quick and convenient printing and copying.
- Add dynamic colour appeal to your work and get fast results with a print speed of 5 ppm.

A pleasure to operate

A true office pleaser, the Phaser 6115MFP multifunction printer provides a host of features that make setup simple and everyday use hassle-free.

- Xerox Installer software gets the Phaser 6115MFP on your network and ready for action in no time, without the help of IT.
- 10/100Base-TX Ethernet and USB 2.0 ports provide flexible office connection options.
- Stay on top of print-job progress, see real-time toner-level status, and get quick access to online support from your desktop with CentreWare® IS Embedded Web Server.
- When connected via USB, MFP ControlCentre® lets you easily configure the 6115MFP and manage your fax address book without leaving your PC.
- Up to 700-sheet paper capacity means printing stays uninterrupted for longer.
- Conveniently located front-panel access to all supplies means an end to awkwardly reaching behind the unit to replace consumables.

Easy on the budget

The Phaser 6115MFP multifunction printer is a do-it-all office performer that's truly affordable.

- Reduce operating costs and streamline tasks with four business-critical office functions in one space-saving unit.
- Convenience tools like N-up, Booklet printing and ID Card Copy increase your document options, making the Phaser 6115MFP the ideal multi-tasker for today's small to medium-size businesses.
- Choose between standard or optional high-capacity toner cartridges to manage your budget.
- Three print mode settings – draft, standard and enhanced – let you choose how quickly your work is printed.
- Optional two-sided printing and copying (standard on the D configuration) saves time and reduces paper costs.

Scanning streamlines workflow

- The included Xerox Scan to PC Desktop® Personal Edition software lets you scan black and white or colour documents – from photos to A4 size – directly to your PC, where they can be edited, organised and archived.
- Scanned documents can be saved as PDF or TIFF file formats.
- The standard Optical Character Recognition feature converts scanned documents to editable text.
- When connected to an office network, the Phaser 6115MFP gives any networked user convenient access to scanned documents.

Flexibility you need

1 *The standard 200-sheet multipurpose tray supports a wide range of media, from A5 to A4, envelopes to business cards.*

2 *An optional 500-sheet paper tray provides added convenience and no-hassle media loading.*

3 *The automatic document feeder allows scanning and faxing of multiple page documents up to 50 sheets.*

4 *The on-board duplexer (standard on D configuration) quickly and automatically prints two-sided documents.*

5 *Standard 128 MB onboard memory allows for fast printing, copying, faxing and scanning.*
