# Convenient multi functions on your network printer

# WorkCentre® 4150

## multifunction system

### Introducing your new multifunction printer

The WorkCentre 4150 meets the challenges of today's non-stop business world. We started with the basic requirement of every office: powerful printing capabilities. Then we added an array of tools to create a reliable and convenient A4 multifunction system that is ready to handle the needs of your busy workgroup.

### Get more done, day in and day out

Replace your current printer with the WorkCentre 4150 and see how much more you can do with this multifunction system's best-in-class features.

- Get a solution designed exactly for your business – from a copier-only device all the way up to a full-fledged multifunction system that can print, copy, fax and scan to email.
- Each function is fully integrated and can be accessed while other jobs are running. Enjoy worry-free, reliable operation.
- Easily integrate the WorkCentre 4150 into your existing A4 printer environment, or replace single-function machines with one convenient multifunction system. That's a lot of productivity in a small footprint.
- Call on unrivaled service and support, including service professionals who are linked to the engineers who designed your product. Xerox is there for you every step of the way.

### Multifunction system power at the right price

As the multifunction system experts, Xerox can help you streamline the way you work with a value-packed device that's competitively priced.

- Save money by choosing just the functions you need now. Upgrade as your business grows.
- Increase productivity and decrease costs by getting one device that does the work of a string of single-function machines.
- Standard automatic two-sided printing and copying – and even faxing – saves time as well as money.

### Flexible choices

Choose the WorkCentre 4150 in the exact configuration to meet your needs.

### Xerox feature advantages

Manage your print queue right from the touch-screen. Move important jobs to the top of the list for maximum efficiency.

The fax feature can relay incoming faxes to email and other fax machines.

Touch-screen operation is easy to learn, easy to navigate, and consistent with Xerox multifunction systems

Time-saving "Auto" features make correct selections for you, ensuring high-quality output.

Process ID documents quickly and efficiently with ID Card Copy.

### A new world of convenience

Give your workgroup a centrally located device that boosts productivity.

- The space-saving design means all capabilities can fit comfortably in your workgroup. Add up to three additional paper trays and build a floor-standing device that is easily accessible to everyone in your office.
- Installation and network configuration are easy – a couple of clicks and you're up and running.
- The large touch-screen interface can be understood at a glance. Most operations are a touch away.
- Manage your machine and access device and job status and accounting information from your desktop using the CentreWare IS embedded web server.
- Add a finisher to the desktop or floor-standing model that will collate and staple up to 50-sheet documents for more efficiency and convenience.

**Must-have tools to match the job**  
The WorkCentre 4150 offers a lineup of special features so useful you'll wonder how you lived without them.

- **Fax Forward to Email:** Route incoming faxes to your email for easy archiving or to access while you're out of the office.
- **Secure Print:** Prints confidential documents only after you've entered a password at the device.
- **ID Card Copy:** Use the innovative ID Card Copy feature to copy both sides of an ID document onto one side of a sheet of paper – without having to run the paper through a second time.

- 1 Money-saving and fast automatic two-sided printing is standard
- 2 50-sheet duplex automatic document feeder scans two-sided documents
- 3 100-sheet bypass tray handles heavier papers up to 200 gsm
- 4 Standard 500 sheet paper tray feeds custom sizes up to 279 x 356 mm
- 5 One, two or three additional paper trays boost capacity to as much as 2,100 sheets
- 6 Use the handy Finisher to collate and staple sets of up to 50 pages
